The February Times

It's cool to be KIND!!!

Kindness & Wellness Month!

The Kindness Tree is a tree that the lovely Mrs Brennan painted in the hall with the help of some students. Its purpose is for us to acknowledge the acts of kindness we are doing for each other. We write the kind acts we see on a sticky note and place them on the Kindness Tree. Maybe your friend helped you on the yard when you fell or helped you on your chrome book if you were stuck! Our tree is getting full which is absolutely amazing!! Everyone in the school should continue to use the tree to show that everyone can show acts of kindness anywhere, at any time!

Well-Being Week 21st - 23rd February

During Well-Being Week we had lots of fun activities such as walks, movies, discos and lots more! We really appreciate the staff for making this week such fun!

Football League - Thank you Mr Atkinson & Mr Markey for the Senior Class Football League, thoroughly enjoyed it!

Slipping into Well-Being Week - All the students wore their slippers on Monday the 21st. They were all snug and cosy in their comfy slippers.

On Tuesday the 22nd we had a **Tea Party** for all the classes in the school.

Everyone brought in their favourite mug for some tea or juice. Lots of people donated home baked goods, leftover biscuits from Christmas, cakes and buns. Everyone had a grand time drinking tea, eating treats and having good chats with their friends!

On Wednesday the 23rd everyone dressed up in their brightest clothes. **"On your darkest days, wear your brightest colours."**

Decorated Doors

We also put encouraging quotes on our classroom doors about kindness and well-being!

The 5th class quote was "We may all be different, but in this school, we grow together."

Have a lovely, relaxing mid-term everyone!

To God We Promise

On Sunday the 20th of February 6th class made their pledge in St. Patrick's Church. Francis explained that the pledge is a promise which they make to God before their confirmation. They are all feeling very spiritual after the ceremony. Well done Rang a Sé!

Emma The Vet

This month 2nd class were very lucky to have a visit from Emma the Vet. She taught them loads of new things like what products can be made from milk and the different breeds of cows. Did you know it takes 8 years to become a vet!!

Niamh said she learned lots and Aaron said he would not like to be a vet because he doesn't like to see animals being sick or getting hurt. Everyone really enjoyed the talk.

Football Frenzy!!

Unfortunately our 6 week GAA course with Eamon and Cormac is complete. However we are very excited to announce that school football is finally back. Three long years in the waiting, let's go!! The girls football team is starting after midterm with their first game on Friday the 4th of March. The boys league will start after Easter.

Don't Forget!!

Tuesday the 1st of March is a very exciting day as it is Pancake Tuesday!! We don't know about you but we are definitely excited for some yummy delicious pancakes. The fun part is choosing whatever topping you want. Some of our favourite toppings are chocolate, syrup, lemon juice, sugar & butter.

Date for the Diary World Book Day March 3rd
