

Dear Parents/Guardians,

In what seems like a flash we have arrived at the third term of our school year and as always it is a busy term in school. With the lifting of restrictions in schools, we are delighted that we can FINALLY engage in some of the more fun activities that are traditionally associated with the summer term.

### **Latest News**

I want to begin by commending our 6<sup>th</sup> class for the exemplary way in which they prepared with Mrs Duffy and Father Mc Eneaney for the sacrament of Confirmation. Indeed, Bishop Duffy commented on their respectful engagement throughout the ceremony – we are very proud of them all!!

We have recently been gifted a new PA system by Fr McEneaney and the parish. This is something that was much needed here in school and will most certainly be put to good use. We thank Fr Mc Eneaney for such a kind and generous donation.

We are currently participating in the award winning Food Dudes Healthy Eating Programme and the children got off to a great start this week! This programme is designed to increase children's consumption of fruit and vegetables and is based on positive role models, repeated tastings and rewards. Everything is supplied free of charge to the school and Food Dudes is a fun and enjoyable programme for all children.

Our annual standardised testing will take place during May and full attendance by all pupils, where possible, ensures that this can run smoothly in whole class groups.

Our senior pupils are continuing with their monthly newsletters and I thank the boys and girls of Mr Duffy's 5<sup>th</sup> class for their work in producing the latest newsletter. The newsletter is available on our school website or via the following link:

Last night saw the Parents' Association AGM take place. Thank you to all those who turned out to what was a very productive meeting. I am pleased to announce our new committee members and I thank them for their commitment in volunteering to work together with myself and the staff of Scoil Éanna to build on the effective partnership of home and school. Educational research on the involvement of parents in schools shows that children achieve higher levels when parents and teachers work together. Covid-19 has been very damaging to this relationship but we are excited to be working together to rebuild those all-important connections with new and fresh ideas. It truly is a very special experience to be involved in the school life of your child/ren. We have a great school here and the new committee have asked me to encourage parents to get involved and come along to their meetings to support the work they do for your children. I thank the outgoing committee for all that they have done to support our school community, for their wonderful fund raising efforts and for their willingness to take on their roles. There were many memories made and friendships forged on fun days in school with the children!

New Committee:	Chairperson	Caolán Duffy
	Secretary	Emma Harte
	Treasurer	Lurana O'Neill
	PRO	Ciara Quinn
