On Tuesday the 21st of June Mrs. Duffy's Sixth class had their graduation. We wish them well as they head off to secondary school. On the note of graduation the children in Ballybay Community Creche had their graduation ceremony last Friday the 17th of June and let's hope that they enjoy our school when they arrive.

6th Class Donation

As part of their graduation ceremony 6th class donated a portion of their confirmation money to Ballybay Cancer Society. This amounted to €280. Well done everyone.
